Cocktails and Mocktails for Goose Day Celebrations

Goose Juice

1 part vodka –
Grey Goose of course!
2 parts Cran-Apple juice
OR
1 part cranberry juice
& 1 part apple juice

Fill highball glass with ice. Add ingredients. Stir. Garnish with lime and blackberry.

Gosling Juice –

a non-alcoholic punch for kids and parties

1 pkg Black Raspberry Kool-Aid,
mixed (makes 2 quarts)

1 2-liter bottle clear soda
(7-Up, Sprite, Sierra Mist, etc.)

1 large bottle apple juice
Blackberries or black raspberries

Put a few berries in each space of an ice cube tray. Fill with Kool-Aid or water and freeze. When solid, put in punch bowl. Pour remaining Kool-Aid, soda and apple juice over ice cubes and serve.

To make individual servings: Mix Kool-Aid and apple juice in advance and use regular ice. When ordered, fill cup/glass with ice. Fill two-thirds full with Kool-Aid/apple juice mixture and top with soda.

Goose-tini

2 parts Grey Goose La Poire
(though I imagine you could use
Absolut or Pinnacle, which is
cheaper, as long as they have an
apple or pear flavor)

1/2 Part fresh lemon juice

2 parts apple cider

1 T cinnamon sugar

Rim martini glass with cinnamon
sugar by rubbing lemon wedge on
lip of glass and rolling in spice
mixture. Put the vodka and
lemon juice in a shaker of ice.
Shake and strain into martini
glass. Top with cider. Garnish
with dried or fresh apple slice
and blackberries/black
raspberries.
