

Goose Day

in the Juniata River Valley

Sept. 29

Not a goose meat fan? Celebrate with veggies! Try this relish tray created by Mary Jane Partchey from Central Novelty,

Follow the photo for placement. You'll need the following supplies:

- 1-head of broccoli-for grass
- 1-head of cauliflower-for goose
- blueberries for sky
- slices of bell pepper for beak
- baby carrots for legs
- 1-ripe olive for eye

Trays and lids are available at Central Novelty, 515 Knepp Ave., Lewistown.

Goose Day Manicures—why not? It's as easy as four white finger tips and orange or yellow on the thumb. Feathers and a beak—get it? If you're up for the challenge, try swirling light grey into the white for a feathered effect. Not sure how to do it? Check Pinterest! And be sure to post your successes AND failures on our Facebook page—Goose Day in the Juniata River Valley.
