So, What is Goose Day?

This local tradition has been observed in the Juniata River Valley for over two centuries, carried here by an early local settler. Legend has it that if you eat goose on Michaelmas Day, you will never want for money all the year round. Believers of this tradition adhere faithfully to this tradition and eat goose every September 29th, St. Michaelmas Day, thus ensuring wealth and prosperity for the coming year. In the 1970's, both the Mifflin & Juniata County Commissioners issued formal proclamations establishing Goose Day as official county holidays.

And we're encouraging everyone to play a part. Organize an event, host a party, bring friends into town to visit and take advantage of what's happening in the Juniata River Valley. It's a beautiful place to be in the fall. Let's share it with everyone!
